Summary of Conversation:

- Sheridan township Hall
(517) 629-2604

The Assessor was not aware of any flood plain maps for Sheridan Township. She thought they "did not participate" in this. She admitted there were some ideal areas.

Mr. Shunkus, the township supervisor, was not in.

He thought they had some floodplain maps. He didn't know where they were, but thought the clerk would know. She's in from 5-9pm at the Township hall - same number at top of the page.
